

Glencoe & District Curling Club 2020-21

268-1 Currie St. Glencoe ON N0L 1M0

519-287-2499

The 2020-21 Curling Season is going ahead with a November 30 start date.

We would like to welcome back returning members, and invite new members of all ages and skill levels to our club.

The Glencoe and District Curling Club is a not-for-profit organization that pays its own way to maintain the building and equipment as it pertains to curling, as well as all OCA dues. The funds come from the memberships, bar revenues, sign sponsorship, donations, equipment sales and fundraisers. Most of every dollar that our members and guests spend at the club goes towards keeping the club running. We urge all members to have a look at the club's annual budget in order to have an appreciation of the financial commitment it takes to run and maintain the club.

We would like to announce our executive, Jim McKellar and Don Black. Tom Foster, Bob Laforet, Jamie Howe are staying on for another term. Mary Anne Zwambag is remaining our Treasurer and Dennis Sinclair as Head Iceman and General Manager. Bob Laforet will remain our Vice President, thanks Bob. Ron Hills will remain on as past President, thanks Ron. We would really like to get at least 2 more members this year. Please advise if anyone is willing to join.

Bill Allan has agreed to take care of getting sign sponsorship again this year. Bill did an amazing job again last year and if anyone knows of an interested party wanting to put a sign up this year please contact Bill at 519-287-3928.

Covid 19 has certainly challenged our executive to come up with a plan for a safe return to curling this year. With a shortened season last year and not having our normal year end fund raising we still managed to show a \$14,000 profit over expenses. 2020-21 season will be very different. We still have many unknowns and challenges ahead of us and appreciate your patience and cooperation during these unprecedented times. Following these rules and hygiene is paramount for us having a successful, safe curling season. The following are the new return to play rules and hygiene as of now:

Hygiene

- o If players or staff have symptoms, tell them to stay at home.
- o Keep your hands clean. Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use alcohol-based sanitizer.
- o Avoid touching your eyes, nose and mouth.
- o Cough or sneeze into the bend of your arm.

Rules of Play

- o Players arrive at the rink ready to play as access to locker rooms is restricted. Change shoes upon arrival. Sign in on log book in entrance.
- o Players select their two stones. No interchanging of stones during a game. o Players should not touch any stones other than their own. Let the player delivering the next stone retrieve their own stone. o Insist that the stones are lined up in single file in the corners.
- o Instead of a hand shake, tap brooms to start the game.

- o To decide the last stone advantage in the first end the league conveners will assign them every game on schedules given out. Team with Red stones will have first end Hammer.
- o Players stay on the same side of the sheet. For example, if you are playing on sheet 2, always walk or position yourself on the sideline to sheet 1. This will keep players 10 feet apart.
- o Insert two small markings, located four feet from each side of centre ice (roughly 69 feet from the end boards). Non-Delivering Team: The two sweepers of the non-delivering team should be positioned on these marking while the other team is throwing. The player of the non-delivering team whose turn it is next to deliver should be positioned at hogline on the same side as the two sweepers. The Skip (or Vice-Skip) will stand on the backboards but no closer than the hack. Delivering Team: The Skip has control of the house. The player whose turn it is to deliver is in the hack. The non-sweeping player is on the backboards. The sweeping player is at the T-Line. Once the stone has been released, the player who delivered the stone proceeds down the centre line of the ice until the halfway point to the marking or to the hog line if it is their turn next. After the stone comes to rest, the sweeper proceeds to the halfway markings. The non-sweeper travels to the halfway mark or the hog line depending on their turn to deliver or not.
- o Keeping score to be done by one of the skips as agreed prior to game starting.
- o One sweeper only on all delivered stones. No relaying (second sweeper taking over halfway down the sheet). The person in charge of the house is not allowed to sweep under any circumstance. The skip of the non-delivering must remain in the hack area until all stones come to rest. They are not allowed to sweep the opposition stone behind the tee-line.
- o The skip or vice skip (not both) of non-delivering team must stand at the hack until the other team is finished playing and has relinquished control of the house.
- o The skip or vice skip (both teams) may not sweep any stones (both colours) set in motion by the delivering team.
- o There will be two draws per day Monday to Friday. A morning draw at 10:00 AM and an evening draw with split starting times: Conveners to alternate teams start times.
- o All 4 sheets will begin at 10:00 AM for morning draws and pre-set teams following a schedule must be drawn up in advance.
- o Maximum stay in the lounge after playing evening draw would be 45 minutes and then each player would be required to leave.
- o To alleviate times pressures, consider 6-end games.
- o Masks: we require players to wear a mask at all times in facility. Masks can be removed on ice playing and once seated with refreshments in lounge only.
- o Members only are allowed to curl this year. When a spare is required missing players are asked to line up a member to replace them.

The club will hopefully be holding a silent auction as we have in past years. Keep an eye out at the club for more details as the time approaches.

Please read the remainder of this correspondence, it will provide information on leagues, fee's, payment, and ice rentals. Remember we are setting the leagues up November 15 you are encouraged to send your registration in by email, we are working to assure everyone interested has a place to play. If unable to pay by November 15 you will have until December 1 to pay but must be registered by November 15 to secure a place on draws we are scheduling. With surrounding clubs not operating this year we are anticipating requests to join our club this year from curlers in our area. All draws on each day will be held for previous members until November 15. After that time we will accept as many as needed to fill all draws.

The late fee will remain for those who haven't paid by Dec 1, the extra charge is \$50.

There will be no lockers available this year.

If you have any questions, please email the club (glencoecc@gmail.com) or contact any board member.
